Division of Youth Services – Pandemic Stipend

This section provides for a \$250 increase per pay period, per employee, for direct care staff working in a facility where there has been a positive diagnosis of COVID-19. To be eligible, employees must not have missed a scheduled shift in the applicable pay period. This benefit is restricted to staff working in DSS DYS group homes, DOC facilities, DPS Veterans Homes, and DMH state hospitals and habilitation centers, including maintenance staff. The budgeted amount assumes the maximum impact if all direct care staff at all state institutions had a positive case of COVID-19 for three months.

In FY22, DSS was appropriated \$1,175,090 in one-time appropriations (0101/7532 and 0163/8032) for start up costs associated with Raise the Age. Due to delayed implementation and discrepancies across the state in the interpretation of the language, DYS has not yet seen a large increase in the number of 17 year olds entering care. Further, the pandemic and its impact on policing and court operations has reduced the number of commitments to DYS custody; therefore, any youth committed under the new law are able to be served with existing capacity at this time. Post-pandemic, DYS would expect a significant increase in the number of commitments which will require the one-time funding to be used for start-up new residential and day treatment programs.

Due to a decrease in the blended Federal Medical Assistance Percentage rate, there will be a net cost shift from federal funds to GR for DMH, DHSS, and DSS. The blended FMAP rate decreased by 0.062% from 66.010% in FY 22 to 65.948% in FY 23.

Section 11.410 Division of Youth Services – Juvenile Court Diversion Program

Book 5, Page 41

This appropriation funds contracts with juvenile courts for local programs which divert juveniles from commitment to the Division of Youth Services (DYS). The Juvenile Court Diversion program improves the ability of local courts to provide early intervention services to first time offenders to stop their delinquent behaviors and diverts at-risk youth from commitment to DYS.
